GLOBAL CALL

More than a festival,
a family that sings to the world.

CANCÚN

MÉXICO

GLOBAL CALL FOR CHOIRS

Bring your music and leave with a Little Latin Soul.

CoralCun invites choirs from around the world to share their music and experience the vibrant spirit of Latin American choral culture.

Our festival brings together international voices, Mexican musical traditions, live mariachi and the joy of building friendships through music. Here, the experience extends beyond the concert stage and into the culture, traditions and everyday moments we share.

A note for our international guests: English helps us connect across borders, while Spanish and Mexican cultural traditions remain an essential part of the CoralCun experience. Some activities and musical experiences will take place in Spanish. We invite every visiting choir to join us with an open mind, a spirit of discovery and a willingness to immerse themselves in the culture that makes our festival unique.
Our multilingual host team speaks English and other languages, so international guests can feel welcome, supported and at home throughout the festival.

We invite all choirs, vocal ensembles, conductors, and independent singers who wish to:

- Perform arrangements of Mexican popular and folk music, accompanied by live mariachi, created exclusively for this festival;
- Take part in workshops with internationally renowned master teachers;
- Share their culture and musical traditions with other choirs;
- Travel and explore archaeological sites, as well as the unique wonders of the Mayan world;

all while becoming part of an international choral community focused on artistic collaboration and cultural exchange.
